If you have a service, maintenance or technical question, email our Service Department Manager:
Keith@marathonequipment.com

Or call: 1-800-633-8974 and ask for anyone in Field Service.:

Marathon Equipment Company
Technical Bulletin #131-02
Effective: September, 2002

Machines Effected:

RJ-225VL

Improvement:

Marathon has changed the 5 HP/6 GPM, 3450 RPM Power Unit on the above mentioned machines to a 5 HP/6 GPM Vane Pump, 1750 RPM. The change will allow the units to operate quieter and help pump and motor alignment.
